IMPORTANT INFORMATION

Specifications, information and products featured in this catalogue are subject to change. Please contact us for more information and a quote.

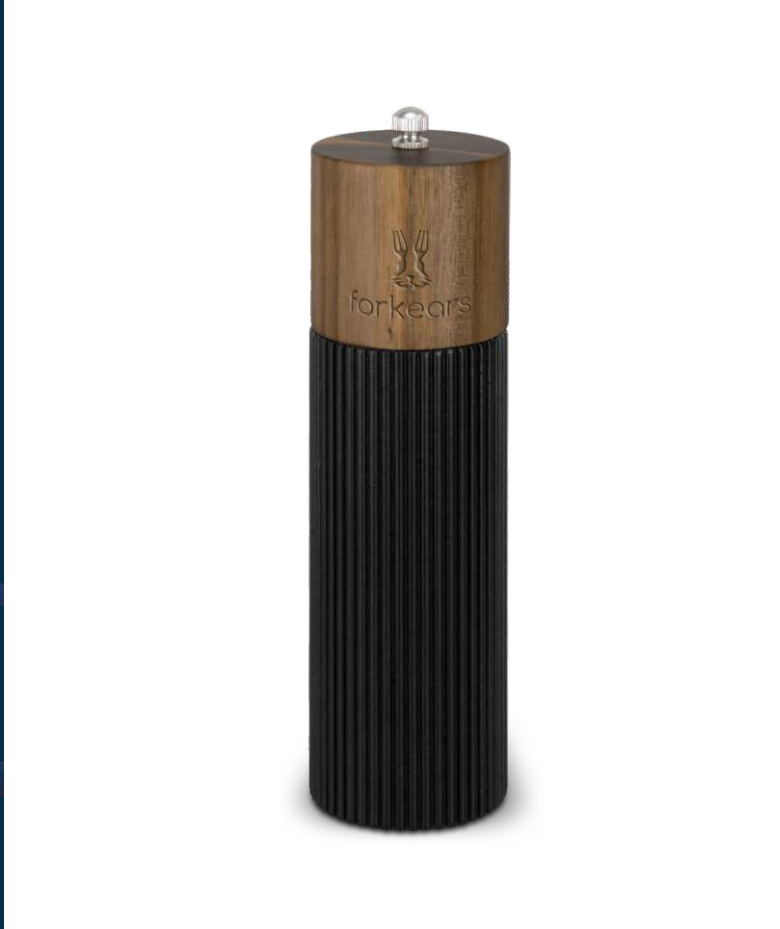

Products displayed are not actual size and the logos used are for reference only to illustrate branding options. They are the property of their owners and represent no endorsement of this brochure or its content. Product colours illustrated are matched as closely as the print process will allow and should be considered to be approximate.

Actual product colours can also vary from shipment to shipment and this is beyond our control. Always ask to see a sample to ensure the product colour and the product itself are suitable for the intended purpose as we do not accept returns due to minor colour variations or the product being deemed unsuitable once it is delivered.

BRANDS

Designed by
industry experts,
for industry experts.

Co-branding with an established brand strengthens your business by enhancing perceived value and reinforcing your connection with the recipient—whether a customer, partner, or employee.

The brands featured on the following pages are recognised for their quality and design, ensuring your gifts are both impactful and valued by the end user.

The logo features the word "frontier" in a bold, white, lowercase sans-serif font. Above the letters "ntier", there is a white line-art icon of a mountain range with a small circle above it. The logo is set against a background of two overlapping circles: a large gold one in the foreground and a smaller dark green one behind it. The entire graphic is superimposed on a photograph of a dense evergreen forest covering a mountain slope under a hazy sky.
